MAN-NATURE DISTINCTION VS CONTINUITY OF BEING

1. What is the first major event in the Bible and what are the three doctrines associated with that event?
2. What are the first two major distinctions taught in the Bible?
Draw a picture illustrating these.
3. What are some ethical dilemmas for those who hold to Evolutionary Theory?
4. What verse in the data of Genesis gives the formula for life?
Write out the formula.
5. Given the formula of life above what aspect(s) of man are made in God's image?
6. How does Mormonism err on this point? How do most Evangelicals err on this point?
7. Man is to rule _____ through his body (Gen 1:26-28; 1 Cor 15:24-28).
8. What is the present hierarchy of the following (man, angels, nature, God)
9. What is the future hierarchy of the following (man, angels, nature, God)
