Summary Of Genesis Chapters 1-9

1. What's the typical pagan view of Gen 1 and Gen 2 presented on the university campus? What verses in the Gen text lead them to this conclusion? How would you respond?
2. In the pagan view what's your ultimate environment?
3. How could you put the pressure on someone who attacks the Christian problem of evil? Give some examples of how society tries to play the victim.
4. What are the 11 direct and indirect coping strategies? (these should be in your past notes)
5. Thinking of God's Qualities and man's analogous qualities, what is the pagan replacement for "choice"? What's the pagan explanation for "conscience"? What's the pagan problem with "loving"? How does the pagan get universal knowledge?
6. What is a social convention? What's the problem with labor? What are some of the problems of thinking of marriage as a social convention? What are some of the problem's of thinking of family as a social convention?
7. What are the Five Points to the Doctrine of Judgment/Salvation?
8. When you're facing a trial, adverse situation, struggle, difficulty, frustration and everything seems chaotic in life what picture can your mind gravitate to that will bring stability?
