**II Doctrine:**

Jesus Christ both very God and very man chose to rescue his people from bondage by suffering the penalty of their sins. Even after his resurrection the Lord Jesus Christ called his disciples brothers! Jesus Christ is a God we can know and love! Jesus fulfilled the Messianic promises of the Old Testament perfectly. As the promised Messianic savior Jesus Christ fulfilled the will of God the Father. Jesus Christ in Hypostatic union destroyed the works of the Devil and fully restored his people.
