

The GOSPEL of MARK

Our Call to Discipleship

Kingdom Inauguration: Suffered under Potius Pilate

Mark 15:1-15

PASTOR'S PRAYER

Almighty, Father in heaven, King over all creation, Savior and LORD. We confess our foolish attempts to reign & rule over our lives, to establish our own kingdoms for our own glory and praise. Lord, our hearts are so given to these things. Our demands to reign are sometimes masked and other times they are brazen. Every attempt is foolish and determined insurrection against your good, and rightful reign in our lives, Lord Jesus. Grant us repentance to turn from our desire to reign and faith to walk as those purchased & redeemed by Christ our King, living in His kingdom as His citizens of His righteous rule and reign over heaven and earth. Oh that we might see this morning, through the preaching of your Word, Christ our King!! Delivered over and triumphant King. Subduing us, ruling, and defending us, restraining and conquering all of your and our enemies for your name's sake. The name of Jesus Christ our King. Amen & Amen.
