The purpose behind these questions is not only to help you profit personally from sermons, but also help your children understand the messages better. We hope that these questions will give parents some of the tools you need to discuss the sermons that are preached with your children throughout the week (Deut. 6:4-9). It is also our prayer that these question sheets will provide fodder for conversation immediately after the worship services so that we can better be as "iron sharpening iron" (Prov. 27:17). We pray that these questions might also help you to become more like the Bereans, searching the Word of God—beginning and growing in the knowledge of Christ (Acts 17:11). We pray for the Lord's richest blessing upon these means.

On behalf of the elders and pastors,

Pastor Kuivenhoven
