

“Fearless Faith –Intro. To 2015”  
Jan. 4, 2015

**Scripture Reading** -2 Timothy 1:6-12

*What is a Biblical perspective of “fear” for the Christ-follower?*

1. It does not come from God. (7a)
2. It is not the will of God.
3. It is an obstacle to the will of God.

*What is God’s will for the Christ-follower, if it is not to be afraid?*

1. He has given to us His power. (7)
2. He has given to us His Loving Presence.
3. He has given to us His Perspective.

**Application:**

1. Identify some of the fears you are facing right now. Share with someone this week what you are dealing with.
2. Which of the three gifts from God do you most appreciate right now? Which one do you need to understand in a greater way? Pray, thanking the Lord for His gifts to you right now.
