SERMON OUTLINE

EPHESIANS 4:25-32

5 qualities of our new life in Christ:

1. We speak what is true instead of what is false (v. 25).
2. We're angry about the right things instead of the wrong things (vv. 26-27).
3. We share instead of steal (v. 28).
4. We use our words to build up instead of tear down (vv. 29-30).
5. We're Christ-centered instead of self-centered (vv. 31-32).

TRUTH TO REMEMBER:

As new creations in Christ, we are to resemble Him by focusing on others instead of ourselves.
