## UFO'S AND THE "RAPTURE HOAX" HOAX!

**1 Timothy 4:1** Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;

**2 Timothy 3:13** But evil men and seducers shall wax worse and worse, deceiving, and being deceived.

**Matthew 24:24** For there shall arise false Christs, and false prophets, and **shall shew great signs and wonders; insomuch** that, if it were possible, they shall deceive the very elect.

**Luke 21:11** And great earthquakes shall be in divers places, and famines, and pestilences; and **fearful sights and great signs shall there be from heaven.**

**2 Timothy 3:1** This know also, that in the last days perilous times shall come.

**8** Now as **Jannes and Jambres withstood Moses**, so do these also resist the truth: men of corrupt minds, reprobate concerning the faith.

"...a certain...incredible phenomenon appeared; I suppose the account of it would seem to be a fable, were it not related by those that saw it, and were not the events that followed it of so considerable a nature as to deserve such signals; for, before sun-setting, **chariots and troops of soldiers in their armor were seen running about among the clouds, and surrounding of cities...**" (Josephus, *Jewish Wars*, VI-V-3)

"In **the sky** appeared a **vision of armies in conflict**, of glittering armor. A sudden lightning flash from the clouds lit up the Temple. The doors of the holy place abruptly opened...[Only a few] people placed a sinister interpretation upon this."

(Tacitus, *Histories*, Book 5, v. 13)

"A flaming comet is said to have **overhung Jerusalem for a year** before **its destruction**. 'The Jews,' says Josephus, 'have neither eyes nor ears for the [signs] of ruin; as for example, the comet in the form of a sword that hung over Jerusalem (A.D. 69-70) for a whole year together.' It is really remarkable that the Great Plague (1664 A.D.), the greatest known for thousands of years, and the Great Fire of London (1666 A.D.) were both predecided by comets so close to the events...that 'even the wiser,' says Richard Procter, 'were struck by the coincidence, and so could scarcely regard it as accidental.'"

(D.M. Panton, *The Dawn*, 1925)

"In this year [1639] one James Everell, a sober, discreet man, and two others, saw a great light in the night at Muddy River [Boston]. When it stood still, it flamed up, and was about three yards square; when it ran, it was contracted into the figure of a swine: it ran as swift as an arrow...[for] about two or three hours...they found themselves carried quite back against the tide to the place they came from. Divers other credible persons saw the same light, after, about the same place."  
(*John Winthrop's Journal*)

"In 1758 the Swedish mystic...Swedenborg, reported he had talked to Martians..."  
(*LIFE*, September 24, 1956)

-In 1835, in the New York *Sun*, Richard Adams Locke wrote an elaborate story about a famous astronomer finding life on the moon with a massive new telescope: "From Supplement to the Edinburgh Journal of Science." People across America and throughout the world, took it seriously! He said the moon was inhabited by giant beavers without tails, winged humanoids, etc.

-In 1887, H.P. Blavatsky published *Isis Unveiled*. Blavatsky taught that souls passed from planet to planet in continuous evolution (and she claimed to be in touch with some ascended masters from outer space). She founded *Lucifer Magazine*.

-In 1897, H.G. Wells published, *The War of the Worlds*.

"An insane clergyman is a key character in the novel, but his attempts to relate the invasion to some kind of Biblical enactment of Armageddon seem only to reinforce his mental derangement. His death, **as a result of his evangelical outbursts and** ravings attracting the attention of the Martians, appears to be an indictment of his outdated religious attitudes making him a **candidate for culling by natural selection**, at the hands of the superior evolved Martians..."  
(*Wikipedia*)

"The world is undergoing immense changes...certain established traditions...are positively injurious and dangerous...this widening protest and conspiracy against established things would, by its very nature, go on in the daylight...an 'Open Conspiracy'...to take possession of the whole world...establishing a world order...[It] cannot fail to arouse enormous opposition...[People only] want change when they are uncomfortable...successful, comfortable people are disposed to dislike, obstruct and even resist actively any substantial changes...a world community, is awakening... I have made a sort of provisional 'Bible,' so to speak, for some factors at least in the Open Conspiracy...this propaganda has to go on...it will be frankly a world religion...the old faiths are damaged and discredited..."  
(H.G. Wells, *Open Conspiracy*, 1928, etc.)

“A world-state is in the making. A time is coming when we will say ‘to the devil the parties and nations.’ They do not meet the needs and aims of this new humanity...”

(H.G. Wells, *The American Magazine*, Aug., 1934)

"Countless people...will hate the new world order...and will die protesting against it."

(H.G. Wells, *The New World Order*, 1940)

"Are messages coming from Martians frantically trying to communicate with us? Perhaps...one might reason, the Martians have had time to evolve into creatures intellectually far superior to ourselves..."

(*Popular Science*, May 1919)

“...clear sign of manlike life on Mars has been detected.”

(*Popular Science*, May, 1930)

“...scientists now are agreed that there is life on Mars...”

(*Popular Mechanics*, April, 1933)

"...intelligent beings could have been evolved earlier than life on earth...[placing] the Martians today where we Earthians will be a million years hence...it is possible that they have been signaling us for centuries, hoping the time would come when we would be intelligent enough to detect these signals..."

(*Popular Mechanics*, Jan., 1934)

-On Halloween night, 1938, Orson Welles broadcast a radio version of H.G. Wells' *War of the Worlds*. Actors played news announcers and officials one would expect to hear in a news report. It sounded so real that at least a million people were frightened that Martians had really landed in New Jersey! Thousands ran into the streets, or called police. Six million heard the program. One million believed it!

-Hadley Cantril, *The Invasion From Mars: A Study In The Psychology Of Panic* (1940): Cantril observed that economic unrest, insecurity, joblessness, coupled with blind faith in “experts,” created the situation.

"They have proved that a few effective voices, accompanied by sound effects, can convince masses of people of a totally unreasonable, completely fantastic proposition as to create a nation-wide panic.”

(Dorothy Thompson, *New York Tribune*)

-It all exploded in 1947 when Pilot Kenneth Arnold spotted nine “unidentified objects.”

"Many scientists believe that the canals [on Mars] are the last remnants of a great civilization..."

**Isaiah 14:12** How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!

"The endless messages from the space people would now fill a library, and while the communicators claim to represent some other world, the **contents of those messages are identical to the messages long received by mediums and mystics**...The demons, devils, and false angels were recognized as liars and plunderers by early man. These same imposters now appear [as aliens]...Dabbling with UFOs can be as dangerous as dabbling with black magic...The Bible warns us that during 'the last days' this planet will be overrun with wonders in the sky and false prophets and performers of miracles."

(John Keel, *UFOs: Operation Trojan Horse*, 1970)

"**Close Encounters** is filled with a familiar **religious awe**, and infused with a belief in the actuality of UFOs...that is tantamount to faith. And this faith - wondrous and thoroughly spiritual - is registered in nearly every frame, reaching a climax in its messianic ending."

(*Science Digest*, February, 1978)

-Prometheus, a 2012 movie by director Ridley Scott is about a team of scientists and astronauts who go on a top-secret journey to contact an alien race. They learn that an advanced alien race came to Earth and started the evolutionary process. Shaw, the Christian in the movie, loses her faith in Jesus!

"...we often forget how much unites all the members of humanity. Perhaps we need some outside, universal threat to make us recognize this common bond. I occasionally think how quickly our differences worldwide would vanish if we were facing an alien threat from outside this world."

(President Ronald Reagan, United Nations General Assembly, Sept. 21, 1987)

"...Decades ago visitors from other planets warned us about where we were headed, and offered to help. But instead, we, or at least some of us, interpreted their visits as a threat...The veil of secrecy must be lifted...[President] Clinton replied...'There's a government inside the government, and I don't control it!'"

"Aliens More Popular Than God...more people in the UK believe in aliens than in God according to a new poll...Such a finding would have been unthinkable **a few years ago**...it shows that 'ufology' could probably be regarded as a new religion. Where will it end?...52% of UK citizens think information about UFOs has been - or would be - covered up..."

**2 Thessalonians 2:9** Even him, whose coming is after the working of Satan with **all power** and signs and lying wonders,

11 And for this cause God shall send them **strong delusion, that they should believe a lie:**

"Nature will soon enter her cleansing cycle...These individuals with their lower vibratory rates will be removed during the next two decades..."

(John Randolph Price, *Practical Spirituality*, 1985)

“Humanity will not be able to make the transition...until the chaff has been separated from the wheat. The great reaper must reap before we can take the quantum-leap to the next phase of evolution... Evolution is good but it is not nice...be prepared for the selection process which is now beginning... We, the elders, have been patiently waiting until the very last moment...the selection process will be quick...We are the riders of the pale horse...”

(Barbara Marx Hubbard, *The Revelation: Our Crisis Is a Birth*)
