**Be A Man! Part 1**

- 1) Adam failed in a perfect paradise. The problem for men is ethical not environmental! (*Genesis 2*)
- 2) Jesus Christ was perfect in a barren wilderness! Real men are Christ Like and persevere through hardship. We cannot extend the Kingdom of God without the ability to endure pain. (*Mark 1:9-15*)
- 3) Real Men sacrifice themselves for others, cowards sacrifice others for themselves. All Christian Men should go over their Job 29 checklist, including his suffering and compare themselves with these attributes. Do not compare yourself to the standards of the World. Christian Women must never settle for less than a Godly Christian Husband. (*Job 29; 1 John 2:15-17*)
