

Genesis 2:4-25 (Ray Bell)

“These are the generations...”

A word concerning structure

Genesis 2 is intended to be read with Genesis 3 and 4.

Can anyone remember Overhead Projectors and Transparencies? Or
Ogres?

Understanding Creation requires faith (Hebrews 11:3).

Some key features of Genesis 2

Relationships, Marriage... Community

Without God – we are but dust!

It's not good for man to be alone

It's all for us – but only so that we can be all for him.

Work

The opposite of 'work' is not 'rest' – it is restlessness.

Creation relies upon us to be sustained and to flourish.

God provides for us so that we be nourished for the work he has given
us to do.
