

My Life

There are many problems in life we cannot understand. These hard situations and difficult people cause us to ask questions, and wonder if there even is an answer.

God's Truth

The Christian is called to know God and His Word (Deuteronomy 29:29)]

The Christian is called to understand Who this God really is.

What do the following Scriptures teach us about Who God is, His 'attributes'

Isaiah 55:8-9

Romans 11:33

My Response

*Can you ever say "God, You don't understand what I am facing..."?

*What do you think of the statement of one of the most influential leaders in our culture today: "All the answers to our need for spiritual growth and personal fulfillment already lie within us"

*What positive example does Mary, the mother of Jesus, give us in how she responded to the unexpected and unbelievable news of angel Gabriel that she was pregnant with the Son of God?

*Can you tell your heart (and others too) any of these statements?

___ These are God's judgments.

___ These are God's ways.

___ Vengeance is the Lord's
