

Who is Your Shepherd?

John 10:1-11

In these verses, Jesus is speaking to the false shepherds of Israel. And, He is calling His sheep to follow Him instead. There are many wondrous voices calling out to you in this world, but there is only one voice of one shepherd calling who will lead you to green pastures. There is only one shepherd who is good. How do you know if you are in His flock? John 10:1-11 answers this question. Simply, you hear His voice and follow Him.
