### **Conclusion**

#### **Application**

1. Because Jesus is Lord of the Temple, in our worship we will focus on those things that He \_\_\_\_\_ and that bring honor to Him.
2. Because Jesus stills cleanses His Temple (us), we will \_\_\_\_\_ our sins daily and repent before Him.
3. Because His Temple is a house of prayer, we commit to being more \_\_\_\_\_ and diligent in prayer, personally and corporately.
4. Because He is worth of the highest \_\_\_\_\_, we commit to Him the first place in our worship, praise, and adoration.
5. Because child-like praise is \_\_\_\_\_ by God, we will praise and trust our Heavenly Father with clean hearts.
