‘With Him’ Ministry Then And Now

Mark 3:7-21; 4:10; 6:1; 9:5; 10:23; 13:1; 14:12, 33

‘Proximity’ means nearness in space, time or relationship. A key to Jesus’ plan to make disciples was to draw his people into his vicinity and activity. He knew more was caught than taught, that teaching overflows in life activity. Notice how Jesus practiced proximity *with* his disciples, and seven challenges that came out of it. Then move into circles of people intent on imitating Christ.
