

The Word of God;
The Ultimate Heart Probe
Hebrews 4:12–14

Introduction: In order to discern if one truly has saving faith one must be able to see into the heart. In order to perform the procedure of looking into the heart one must have a heart probe. We must probe our hearts to see if we have a genuine saving faith or a counterfeit condemning faith. The only viable and accurate heart probe is the word of God.

4:12 **The probing power of the word of God and its accuracy.**

4:13 **The probing power of the word of God and its source**
