### Praxis

1. Consider each spiritual provision in Eph 6:14-18, and how each is used by the Spirit to aid in fight against temptation.
2. Identify 10 practices by which you might “sow to the Spirit” (Gal 6:8)...
3. “The fruit of any tree never benefits the tree that bore it.” How does this maxim apply to the Fruit the Spirit bears in you (Gal 5:22-23)? Yet, how is this reality actually a great blessing to your life?
4. Thought Question: When your spirituality begins to dry up, what does John 7:37-39 teach us about how to go about regaining the “river of living water within?”
