

## “Our Relationship With Family”

- We cannot fake our Christianity at home.
- Our transformation process is tested and most accurately revealed in family relationships.

How would a growing, devoted follower of Christ respond to these teachings?

1. Husband.            *Ephesians 5:23, 25-30, 33*                      *Colossians 3:19*
  
2. Wife.                      *Ephesians 5:22-24, 33*                      *Proverbs 31:10-12*
  
3. Children.            *Ephesians 6:1-3*                      *Colossians 3:20*                      *Proverbs 23:24-25, 10:1*
  
4. Parents.                *Ephesians 6:4*                      *Colossians 3:21*
  
5. Siblings.                *Ephesians 4:31,32*                      *Colossians 3:8-10, 12-14*

- If other family members were to tell us how you are doing in growth toward Christlikeness, what would we come to know?
- God already knows!
