

Revelation 82 Blasphemy's Truth

*Dr. Leon L. Sanders
Revelation 13:6*

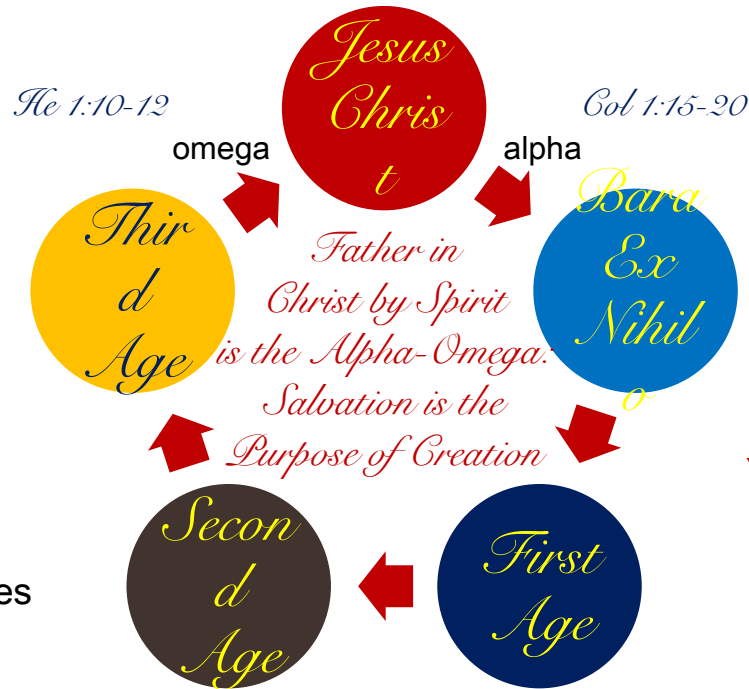

Dechristianization: Begins with Antichristianization

- *Previous lesson detailed the modern historical blasphemies leading through our times into Antichrist's (AC) reign*
 - *Empirical cannot exist without its non-empirical {spiritual} roots (Jn 4:23-24; He 11:3)*
 - *Trinity existed before Creation: Heaven {Spiritual} and Earth {Empirical} (Ge 1:1-2; Jn 1:1-5; Col 1:16-20)*
 - *Bible only source that accurately explains non-empirical and empirical relationship coherently (Jn 17:17; 2Ti 3:16-17; He 4:12; 2Pe 1:20-21)*
- *This lesson explains non-empirical blasphemies that rests on a single tenet: **Always against Christ**; hence, antichrist (1Jo 2:18-23)*
 - *In Eternity past, Christ was appointed as author of salvation of people who will eventually be above angels as adopted sons of God (Ga 4:1-7; He 1:3-14)*
 - *Satan rebelled setting up his antichrist system with himself above Christ; his system is based on Lie and violence vs Truth (Is 14:12-14; Ez 28: 14-18; Jn 8:44)*
 - *Satan\Lost knows empirical World without Christ, requires substituting Creation as causation {Exchanging Truth for Lie}: Incoherent (Ro 1:18-28)*
 - *Both systems based on blood: Christ's system based on His blood giving Life; Satan's system based on your blood resulting in Death (Ge 2:17; Ro 3:23; 6:23)*

Duality of Opposing Cycles: One Gives Life – Other Takes Life

Bible's Declaration of Truth - Purposeful
Hope in Christ - Peace in Love

Man's Religion of Death - No Christ
hopelessness of Perpetuality - vanity

Duality of Opposing Cycles: Hope vs Hopelessness

Christ's System

- *Cycle begins and ends in Christ; He is Life*
- *Coherent, single source; Come, let us reason... (1Co 1:18)*
- *Christ secured salvation by sacrificing Himself (Ga 3:13-14; 1Pe 2:21-24)*
- *Purpose: Eternal Life in Him (Ro 21-22)*
- *Christ became man securing salvation for all people who believe*
- *All begins and ends in Him; He energizes our continual growth*

Antichrist's System

- *Cycle based on logical fallacies promising perpetuity of self*
- *Incoherent Ponzi Scheme with ever shifting fallacies - Entropy*
- *Satan demands your sacrifice {works}; gives Death (Ro 8:19-20; Ga 3:10-12)*
- *No Purpose: In this Creation all die; as it ceases to exist (2Pe 3:11-12)*
- *Satan, angel {spirit}, requires Man to manipulate empirical elements*
- *The Lie: Entropy while promising life – Transhumanism {Idolatry}*

Blasphemies: Against God-Christ-Believers

- *Blasphemies very specific; always against Christ, thus also against the Father*
 - *Denies Jesus is from God, is not God and is not the Christ (1Jo 2:22)*
 - *Denies Jesus came in bodily form or will come again in bodily form (1Jo 4:2-3; 2Jo 1:7; 2Pe 3:3-7)*
 - *Therefore, Satan seeks to prove God The Liar { Offers himself as the truth giver and makes God the author of evil } (Ro 8:1-4; 1Jo 5:10)*
- *As Believers identify in Christ, blasphemies directed against them (Mt 5:2-12; Ga 2:20)*
 - *Living in Christ produces good deeds which shows the evitness of the Lost's deeds; i.e., the lies of their fallacies (2Co 2:14-16; 11:14; 1Jo 3:12-13)*
- *Blasphemies against Heaven because it is the location of: 1) Throne of the Father on which Christ sits and 2) Tabernacle of Jesus' sacrifice*
 - *Throne establishes authority of Christ delegated from the Father which Satan, as created angel, will never be able to access (Mt 5:34; 23:22; He 1:5-6, 13)*
 - *Tabernacle demonstrates the love of Father and Son to die for sinful people, saving them, but not for angels {Satan} (Ro 5:6-9; He 2:14-18)*

Duality of Opposing Cycles: Love and Not Love

Christ – Believers

- *Put aside his deity to be man; He is our example (Ph 2:5-8)*
- *Jesus is Love: sacrificing Himself for Saved (Jn 15:12-14; Jn 3:8; 4:8-10)*
- *Believers are to be humble like Christ, following His example (Ph 2:3-4)*
- *Believers will die the First Death for the brethren: True Love (Jn 3:16)*
- *Losing one's life gains Christ; no-Second Death (Jn 12:25-26; 15:13)*
- *Maturing Saved develop the mind of Christ: Nagiazio Process (Ph 2:3-5)*

Satan – Antichrist

- *Exalts himself above all so-called gods and God (2Th 2:3-12)*
- *Cannot love; seeks Control via Violence (Ez 28:16; Jn 10:7-10; Jn 3:8; 4:8)*
- *Scoffing {Sarcasm} raising doubt as to Jesus' faithfulness (2Pe 3:3-7)*
- *Lost may sacrifice themselves but to no purpose (Ro 5:7)*
- *Loving one's life loses hope of salvation: Second Death (Mt 10:38-39)*
- *Exhibit Satan's mind: Vain Blasphemy Works (Ga 5:19-21; 2P 2:1, 14-15; Jude 8, 10-11)*
