**God Knows The Heart**  
**Isaiah 29:1-14**

**1. Ariel (Jerusalem) was a city that was \_\_\_\_\_  
to the Lord, but He pronounced the judgment they  
deserved nonetheless.**

a. The people are in a precarious position before God,  
but they continue on as if everything was  
\_\_\_\_\_.

b. In \_\_\_\_\_ time, He will bring  
upon them a sorrowful and devastating humiliation  
that they cannot escape.

c. God also promises to overthrow and completely  
frustrate the evil intentions of Ariel's  
\_\_\_\_\_.

**2. The \_\_\_\_\_ of these threatened  
judgments on Ariel is the hypocritical "faith" of the  
people.**

a. The Lord reproves those who will not \_\_\_\_\_  
the Word of God that is available to them.

1) Their conduct proves to be \_\_\_\_\_  
and they lack spiritual discernment.

2) \_\_\_\_\_ pronounces a spiritual blindness  
upon them because they have ignored the words  
of His prophets.

b. The Lord reproves those whose spiritual life is mere  
\_\_\_\_\_.

1) They may say the right \_\_\_\_\_  
but their heart is far from the Lord.

2) They are more willing to follow the religious ideas  
of \_\_\_\_\_ than the Word of God.
