Sermon: Christian Nation Pt. 2 “Honor Your King!”

I Text:

Old Covenant: *Psalm 2*

New Covenant: *Acts 4*

II Doctrine:

God’s people must recover the concept of “us and them” in our faith. Those outside the covenant are not neutral, and they actively rebel against Jesus the Christ. They are a separate Nation who want to eradicate King Jesus and his commands from the world system. Do not be shocked when these people turn on you and treat you like an enemy. Barnabas was a Hebrew ethnically, a Cypriot by country, but part of the Christian nation.

The living God laughs at those who oppose his divine order. God respects no person, and laughing at someone is the ultimate act of disrespect. God will make war with those who reject his son as King.

Our focus should be serving our merciful King Jesus Christ. Our protection as Christians is to commune with our King, and his people. This latest incarnation of “Mystery Babylon” will fall, it always does. The “Great Reset” will backfire, and God will roll up our elites in their rainbow flag and burn them.

III Comparing Scripture With Scripture:

1) God’s people must recover the concept of “us and them” in our faith. Those outside the covenant are not neutral, and they actively rebel against Jesus the Christ. They are a separate Nation who want to eradicate King Jesus and his commands from the world system. Do not be shocked when these people turn on you and treat you like an enemy. (*Psalm 2:1-3; Acts 4:23-37*)

2) The living God laughs at those who oppose his divine order. God respects no person, and laughing at someone is the ultimate act of disrespect. God will make war with those who reject his son as King. (*Psalm 2:4-9; Acts 2:22-35*)

3) Our focus should be serving our merciful King Jesus Christ. Our protection as Christians is to commune with our King, and his people. This latest incarnation of “Mystery Babylon” will fall, it always does. The “Great Reset” will backfire, and God will roll up our elites in their rainbow flag and burn them. (*Psalm 2:10-12; Revelation 22:10-17*)
