

“A More Sure Word”

2 Peter 1:16-21

Introduction: v.19

- ***The written Scriptures are more sure, more reliable, more dependable than anything else in life!***

Why? Because Scriptures are the very Words of God!

Because the Scripture is God's Word...

I. Scriptures are more trustworthy than one's own personal experience (v.16-18)

II. Scriptures are as necessary as light is in the midst of darkness (v.19)

III. Scriptures are not the production of man's own understanding or imagination (v.20)

IV. Scriptures are the Divine production of God's Holy Spirit (v.21)
