It's A Decision!

Romans 6:12-14

I. *Don't let sin be the _____ (vv. 12, 14)!*

let not sin therefore reign (v. 12) – sin is a dethroned monarch and has no right to reign in your life

since you are not under law (v. 14) – to be under the curse and condemnation of the law

II. *Don't _____ to sin (v. 13).*

present– an act of the will; It carries the idea of surrendering or yielding. It basically means to place or stand alongside of; hence to place at someone's disposal.

members – _____ parts of our bodies

instruments – weapons, tools, implements

Titus 2:11-12; I John 2:15-16

III. *Yield to _____ (v. 13)*

Romans 12:1

Discussion Points:

1. As believers, why do we often struggle to consider ourselves dead to sin? Why do we often not believe that the power of sin has been broken and no longer has dominion over us?
2. What are some specific reasons we allow sin to have authority in our life?
3. In what ways do we yield our “members” as instruments of unrighteousness? Is this something can be avoided? Is victory really possible?
4. In what ways should we yield our “members” as instruments of righteousness? By what means is this accomplished?
5. From Romans 6:12-14, identify at least one specific truth that you can apply to your life this week.
