**Praxis**

1. The very first followers of Jesus are shown bringing others to Him. Do you think of evangelism (bringing others to Jesus) as an essential part of following Christ?
2. How does Philip's example, simply directing Nathanael to Jesus, shape your attitude toward evangelism? Your understanding of a Christian's role in evangelism?
3. How does the reality that God is the decisive actor in salvation help you to recognize your role in evangelism?
