

## “Change Me” March 13, 2011

Revival comes when we:

1. Confess any known sin to God.
2. Stop doubting God and believe anything is possible.
3. Seek, hear and then obey the Holy Spirit instantly.
4. Share Christ publicly with other.

*2 Chronicles 7:14 - “If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land.”*

1. God is looking to revive His **people**.
2. God **calls** us out.
3. We must give God **control**.
