### God's Invitation Isaiah 55:1-13

Mac Williams, Pastor  
March 5, 2017

#### 1. God invites \_\_\_\_\_ to come to Him for salvation.

- a. God's invitation is a \_\_\_\_\_  
and persuasive invitation.
- b. God gives very specific instructions on how to  
respond to Him.
  - 1) \_\_\_\_\_, based on no merit of your own.
  - 2) \_\_\_\_\_ carefully to the truth.
  - 3) \_\_\_\_\_ the Lord.
  - 4) Forsake your own \_\_\_\_\_ and  
your own thoughts.

*"God's ways and thoughts, unlike those of the wicked,  
are righteous; and for that reason the wicked must  
abandon his own ways and thoughts. God's mercy and  
grace are such also as could never have entered the  
heart of the wicked man apart from special revelation,  
hence the wicked is to leave his own thoughts."*

- E.J. Young

#### 2. God's invitation will be highly \_\_\_\_\_.

- a. Those who believe live in everlasting  
\_\_\_\_\_ with the Lord.
- b. \_\_\_\_\_ with no prior knowledge  
of the Lord will readily come to Him.
- c. God's Word \_\_\_\_\_ accomplishes  
every purpose for which He sends it.
- d. God's work in His Church results in a \_\_\_\_\_  
deliverance and a radical transformation in people  
that serves as an everlasting memorial to the Lord.
