January 3, 2021

Because God is gracious,

Context: “Therefore” links to earlier statements in Hebrews about Jesus as Son of God and High Priest and transitions to a section that elaborates on and applies Jesus’ high priestly ministry to our Christian lives.

How Jesus as High Priest impacts us today:

1. Gives incentive to _____ (14-15)

2. Gives motivation to _____ (15-16)

Bridge:

- Receive new life in Christ: _____
- Understand new motivation for prayer: _____

Discussion Questions:

1. Which word or phrase from Heb. 4:14-16 impacts your thinking the most, and why?
2. Why is it more common to think about being motivated to pray by obligation rather than grace?
3. How would being motivated by grace change how you pray?
