#### Praxis

1. What lessons / take-aways do you have from this portion in Isaiah?
2. God repeats the same message over course of Isaiah's ministry... what are some things God keeps bringing to the church's attention in the New Testament that we particularly need to pay attention to?
3. What are some things that God keeps bringing to your own attention at the present time?
4. What are some specific things that we might be tempted to look to the world to provide, that we should rather look to God for?
