

How Not to Continue in Your Christian Life
Galatians 3:1-9 | Pastor Robert Luff | March 17, 2019

Heart Problem: We have a strange tendency to want to live the Christian life in our own strength.

Theme: God's Spirit saves and perfects me by faith in my Redeemer, just as He has always done for His people.

I. Under the New Covenant, God saves and perfects me by my faith in Christ's sufficient work (1-5)

A. God justifies me by my faith (1-2)

B. God is perfecting me by my faith (3-5)

II. Before the New Covenant, God saved and perfected His people by faith in His sufficient promises (6-9)

A. God initiated His promise to Abraham by his faith (6-7)

B. God is fulfilling/perfecting/completing His promise to Abraham by faith (8-9)
