

## THE ORIGIN OF THE RACES

### *Genesis 9:25-27*

The story of Noah is a warning to the righteous of the dangers of liquor: \_\_\_\_\_ often accompanies its use  
Noah & Lot were not alcoholics, but their \_\_\_\_\_ drunkenness changed the course of their families' lives  
Race remains a huge issue in our \_\_\_\_\_ : critical race theory is embraced, reparations are being considered  
Racist and white supremacist groups, who call themselves Christian, twist \_\_\_\_\_ to claim the blessing of God

#### I. THE 3 SONS OF NOAH ARE NOT THE FOREFATHERS OF THE 3 GREAT \_\_\_\_\_

- A. Canaan was the father of the \_\_\_\_\_ who lived in the Promised Land, not the father of black race
- B. Shem was the father of the \_\_\_\_\_ and Arabs; the Sinites, descendants of Canaan, populated China

#### II. THE BIBLE HAS NOTHING TO SAY ABOUT THE 3 GREAT \_\_\_\_\_

- A. The Bible never uses the word \_\_\_\_\_ in the sense it is used today, of differences in skin color, etc.
- B. Acts 17:26 indicates that all human beings are of one \_\_\_\_\_ and can interbreed and have children  
God divided mankind based on \_\_\_\_\_ rather than race, as suggested by a study of Genesis 10
- C. History demonstrates that racism is the offspring of evolutionary thought developed over \_\_\_\_\_ yrs ago
  - 1) The evolutionary model suggests that natural selection produced physical & moral \_\_\_\_\_
  - 2) Throughout the 19<sup>th</sup> and early 20<sup>th</sup> centuries, all evolutionists were also convinced \_\_\_\_\_
  - 3) \_\_\_\_\_ embraced Social Darwinism and committed Germany to the horrors of WWII

#### III. NOAH'S PROPHECY OUTLINES THE FUTURE OF 3 STREAM OF \_\_\_\_\_

Noah was a preacher of righteousness & in this case, he was also a \_\_\_\_\_ inspired by the Holy Spirit

- A. Noah cursed Canaan in response to his youngest son, Ham, but his words apply to Ham's \_\_\_\_\_
  - 1) Ham will be "the servant of servants," but it does not mean that God intended them to be \_\_\_\_\_
  - 2) 9:26-27 indicate that Ham's descendants would have a worldwide service to \_\_\_\_\_ other nations
  - 3) The Hamitic peoples exercised stewardship over the \_\_\_\_\_ and material aspects of creations
- B. Noah's blessing on Shem indicated his descendants would have a \_\_\_\_\_ relationship w/ Yahweh  
Historically, from the Semitic peoples came the great \_\_\_\_\_ religions: Judaism & Christianity
- C. Noah asked God to \_\_\_\_\_ Japheth, speaking of opening up minds intellectually—mental enlargement  
Japheth's descendants will also dwell in the tents of Shem—share in his \_\_\_\_\_ inheritance

#### IV. THE \_\_\_\_\_ DEVELOPED DUE TO TWO FACTS

- A. The Scientific Fact is the \_\_\_\_\_ Principle, a law of genetics about dominant and recessive traits
  - 1) In a normal population, \_\_\_\_\_ genes tend to maintain the appearance of all humans uniformly
  - 2) In a small population, \_\_\_\_\_ genes come to the fore & are quickly expressed via inbreeding
- B. The Historic Fact is the Tower of \_\_\_\_\_ , where the confusion of languages caused the 70 small tribes to divide & separate, giving opportunity for the recessive physical traits of the \_\_\_\_\_ to develop
