

Sermon Notes

(These notes are good for both AM and PM sermons)

Law and Grace (Rom. 6:14)

The nature of law and _____ have often been at the very center of the Church's controversies.

The glorious foundation: Not under law but under _____

Grace is that one word that encompasses the whole of what _____ did for us in Christ Jesus.

Grace is provision and power to set us from our _____!

We need to avoid making mistakes that oversimplify or reduce either _____ or grace.

The Principles of Understanding Law

1. Broadly speaking, "law" means the declaration of God's _____, which obligates those under His Lordship.

2. The Law and Adam

What is stamped on Adam's person, his heart, his mind, is the moral obligation to obey the _____ of his Creator, Father, and Lord.

3. The Covenant of _____

4. The Law given at Sinai. The Law reflects the covenant of _____

5. Every human being born into this world, is born under the _____

6. The Law of God now functions in terms of a civil use

The Law also functions as schoolmaster to drive us to _____

7. What the Law can do:

The Law defines sin, the law increases sin because it provokes _____

The Law exposes and convicts of _____ (Rom. 3:20)

8. What the Law cannot do

The _____ is not the solution to my problem

Grace is the answer!

The Principles of Understanding Grace

1. What is grace?

Grace is God's favorable disposition to those who deserve justice, but it is also God's _____

2. Grace is God's saving action in _____

3. Grace comes to us through Christ and His _____

4. Therefore, the Gospel is the promise of God in _____

5. Grace comes through the _____ to empower us to believe, to repent.

The Principles of Understanding Law and Grace

1. When we read Law, we should see embedded _____

2. When we read _____, or, the Gospel, we should not think it is lawless

3. We do not mix _____ and grace in justification

4. We do not confuse law and _____ in sanctification.

5. We do not separate Law and _____ in evangelism
