**Hebrews 10:1-18**

**PASTOR'S PRAYER**

*Almighty God, who so loved the world that You gave your only Son as an offering, a sacrifice. You are holy, pure, sinless, right, just and worthy of all praise and worship. We confess our sin has caused us to be profoundly broken. Our brokenness is most clearly known in our guilt and shame and despair. These are the consequences of our sin and therefore we know what it is like to be separated, alienated from your blessed presence. There is no offering too great, no sacrifice too costly that we may draw near to you. However, anything we bring to you is stained with our own transgressions and iniquity. So this morning Lord lift our hearts and souls out of the mire and fetters of our sin & bring us to the cross. Only there will the light of your glory push away the darkness in our soul. Only there at the cross can we see the offering you have provided for us, Jesus Christ & Him crucified. Lord, produce mighty faith in us this morning Lord. For only mighty faith can triumph over such hearts as ours and cause us to grow in holiness. Grant a sure hope in your single sacrifice for sins that we may be made perfect in your presence. Holy Spirit come this morning and place your laws in our hearts and write them on our minds that we may be forgiven and our sins and lawless deeds be forgotten. And in all these things may glory and honor and praise be yours forever and ever. Amen & Amen.*
