

Prove It

James 2:14-19

Last two weeks: Repentance and Faith (Luke 18:35-19:10)

Last Fall: James encouraging heart examination: "true faith" tests – is it real?

Not hearers only, but doers of the Word,

Not merely doers either, but actions springing forth from changed hearts

Actions speak louder than words

True faith is always accompanied by works (2:17, 20, 26)
