

MINING THE MESSAGE

Title: Limitless in a Limited World

Scripture: Ecclesiastes 7:1-25

Speaker: Jeff Terrell

Date: March 22, 2020

BIG IDEA:

Owning and resolving to see life as it truly is enables us to live limitless in a limited world!

OUTLINE:

1. Life is Limited ... Live to Die! (1-4)
2. Escaping is Limited ... Live to Day! (5-10)
3. Prosperity is Limited ... Live to Depend! (11-14)
4. Wisdom is Limited ... Live to Defer! (15-25)

WHAT DID YOU LEARN?

1. How is the end of thing better than its beginning?
2. What are five means of escape? What are four ways to evaluate your anger?
3. How are wisdom and prosperity limited? To what should we defer?

HOW WILL YOU APPLY IT?

1. What area(s) of escape do you gravitate toward? To whom can you confess this and point you to the gospel instead?
2. This week, how can you rely more on the character of God rather than prosperity, money, and wisdom?

LIVE IT OUT

Many are wrestling with a new approach to everyday life through the COVID-19 pandemic. When theology informs our thinking, it informs the way we process our reality. We encourage you to both live a life deferring to the gospel this week and sharing that approach with others.
