

Psalm 24:1-10 Envision The Coming King! Falls Church March 24, 2024

Without clean hands or pure heart, by faith we see Christ who has them; He climbed the mountain of God, and is coming down again for us.

1. Envision the coming Creator and Redeemer. (v.1-2)

2. Envision the coming Holy God. (v.3-4)

3. Envision the coming Victorious Warrior. (v.7-10)

Can you see the victory of Christ by faith?

How can you wash your hands and your heart?

In what way are you coming to the Lord/He coming to you?

How are things at your battle station? Envision our victory!
