FURTHER CONSIDERATIONS

Ephesians 2:8-9

What are the elements of saving faith mentioned in verse 8? What does a person need to be saved from? What is grace? What is faith? How do these verses emphasize the character of God, expressed in verses 4-7?

Romans 10:1-4

How does Paul express his burden for his fellow Israelites? What were they attempting to do? How do people today seek to establish their own righteous standing before God? According to Ephesians 2:9, why are such efforts not acceptable to God? How does seeking to establish personal standing with God diminish the finished work of Christ? What are the key aspects that need to be clear when giving the Gospel to others?

Ephesians 2:10

What does this verse indicate about the purpose of your salvation? What is the contrast between verse 2 and verse 10? Read 2 Corinthians 5:17-18. In what ways should your life after salvation differ from your life before salvation? How can your new life advance the Gospel? Will you prayerfully commit to be used by God to share the good news of salvation?
