## QUOTE

*"The fear of God is the soul of godliness . . . The fear of God in which godliness consists is the fear which constrains adoration and love. It is the fear which consists in awe, reverence, honour, and worship, and all of these on the highest level of exercise. It is the reflex in our consciousness of the transcendent majesty and holiness of God. It belongs to all created rational beings and does not take its origins from sin."*

By: Professor John Murray (20th century Presbyterian theologian)

## OUR CHURCH

We are a congregation of the Free Church of Scotland (Continuing), which has a presbytery in North America. The Free Church traces its historical roots back to the Protestant Reformation in Scotland, which began in 1560. The same biblical truths and spiritual identity have been maintained to the present day. Our doctrinal standards are the original 17th century version of the *Westminster Confession of Faith*, the *Westminster Larger Catechism* and the *Westminster Shorter Catechism*. Further detailed information about our doctrine, worship, government, and practice is available on the book table and in the Church library.
