**1. God gives many encouraging words and certain \_\_\_\_\_ to hold on to in challenging times.**

**2. God also gives sobering words and \_\_\_\_\_ that must be given serious attention.**

- a. The \_\_\_\_\_ of God is the standard for all men at all times.
- 1) God's commandments are \_\_\_\_\_ and therefore require absolute perfection from all people.
  - 2) God's commandments are \_\_\_\_\_ and righteous, therefore they make it clear what all people rightly owe to their Creator and to other people.
  - 3) God's commandments are \_\_\_\_\_, therefore what they demand will work for man's greatest good.
  - 4) God's commandments are \_\_\_\_\_, therefore they address not only man's behavior but also his inward thoughts and motivations.

b. The first table of the Ten Commandments gives the clear standard for man's relationship with \_\_\_\_\_.

c. The second table of the Ten Commandments gives the clear standard for man's relationships with \_\_\_\_\_.

d. All men are called by God to recognize that He holds them personally accountable and they will pay the \_\_\_\_\_ for their sin.

**3. God's Law reveals the depth of sin that all men have and the condemnation they deserve, but for believers it is a reminder of the glorious \_\_\_\_\_ they possess in the Lord Jesus Christ.**
