## HANDOUT

**Intro: CAIR bus ad's** -- In early 2013, San Francisco and Chicago.

**So, what is the truth about Jihad?**

### 1. The Struggle

The first word Palestinian schoolchildren learn in their reading primers is "Jihad".

**The Word "Jihad" literally means "Struggle".**

**There are three types of Jihad recognized by Muslim scholars:**

- i. Kind described by CAIR ads—"The inner struggle of maintaining self-discipline and battling evil in ones heart."
- ii. Against Satan---"the struggle against temptation and spiritual oppression."
- iii. Jihad against "Infidels" Unbelievers, and hypocrites---"the fight against all who reject or oppose Islam".

**This form if Jihad is the most common usage of the word.**

#### Example:

The "Bukhari Hadith" is considered the most trusted and authentic Islamic text next to the Koran itself. **An analysis of the text** indicates that **97% of references to jihad refer to warlike jihad against unbelievers.** Only **3% refer to jihad as an "inward" spiritual struggle.** **Muslims have regarded jihad as the struggle for Islam to gain preeminence over all other religions.**

**Muslim Brotherhood founder Hasan al-Banna explained it this way:**

*"How wise was the man who said: 'Force is the surest way of implementing the right, how beautiful it is that force and right should march side by side. This striving to broadcast the Islamic mission, quite apart from preserving the hallowed concepts of Islam, is another religious duty imposed by God on Muslims, just as he imposed fasting, prayer, pilgrimage, alms, and the doing of good and abandonment of evil, upon them. He imposes it upon them and delegated them to do it. He did not excuse anyone possessing strength and capacity from performing it"*

#### **Koran 9:5---**

*But when the forbidden months are past, then fight and slay the Pagans wherever ye find them, an seize them, beleaguer them, and lie in wait for them in every stratagem (of war); but if they repent, and establish regular prayers and practice regular charity, then open the way for them: for Allah is Oft-forgiving, Most Merciful.*

#### **Koran 9:73—**

*O Prophet! strive hard against the unbelievers and the Hypocrites, and be firm against them. Their abode is Hell,- an evil refuge indeed.*

## 2. Are all Fundamentalists the Same?

**Some have drawn a moral equivalence between fundamentalist Islam and fundamentalist Christianity—as if both are equally dangerous.**

### **Example:**

- Harvard Divinity professor **Harvey Cox**, in his column in the “Boston Globe”—where he lumps Protestant, Catholic, and Muslim fundamentalism together and tries to draw a moral equivalence between them:

*“As the 20<sup>th</sup> century ended and a new one began, fundamentalism has taken on more formidable shapes, both politically and religiously. Though most of its adherents work through spiritual and educational channels, the small minority that turn to violence have caught the media’s attention. If some seem ready to die for faith, others are ready to kill for it, gunning down abortion doctors in church, hijacking planes, and exploding bombs at weddings. For plenty of thoughtful people, fundamentalism has come to represent the most dangerous threat to open societies since the fall of communism.”*

An example Cox offers of the “threat” of Christian fundamentalism is the phrase “*gunning down abortion doctors in church*”—is very misleading.

**NOTE:** There has only been **one** abortion doctor shot **in church** (not doctor’s plural), and the gun man who shot Dr. George Tiller in Kansas had been diagnosed with mental illness. Professor Cox would like to equate the Tiller murder to 911, but the facts don’t fit.

**A Christian fundamentalist is simply not the equivalent of a Muslim fundamentalist.**

If a Christian hijacked a plane and flew it into a building, **he or she would be violating the Scriptures at every point**—there is not one verse of the bible that would justify such an act.

**But The Koran presents Islam as a militant faith. Let me show you some examples:**

### **Koran 9:5**

*But when the forbidden months are past, then fight and slay the Pagans wherever ye find them, an seize them, beleaguer them, and lie in wait for them in every stratagem (of war); but if they repent, and establish regular prayers and practice regular charity, then open the way for them: for Allah is Oft-forgiving, Most Merciful.*

### **Koran 9:123**

*O ye who believe! fight the unbelievers who gird you about, and let them find firmness in you: and know that Allah is with those who fear Him.*

**Hadith**— Muhammad says:

*"I have been ordered to fight against all the people until they testify that there is no god but Allah, and that Muhammad is Allah’s messenger, and offer the prayers perfectly, and give the obligatory charity. So if they perform all that, then they save their lives and property from me and their reckoning will be done by Allah"*

**Within the Muslim world, a power struggle rages between radical, militant Muslims and moderate Muslims.**

- Radical Islam can never coexist with the voices of moderation.
- The goal of fundamentalist Islam is total fidelity to the most extreme and militant passages of the Koran---and those passages demand domination of the world and subjugation of all non-Muslims.

- Moderates, in the eyes of the radicals, are only one step removed from being non-Muslims, because they stand in the way of Islam's absolute supremacy.

**In other words:** "The shout of radical always drowns out the voice of moderation"

### 3. Washing Blood with Blood

**There is an Ancient Middle Eastern saying:** "*Wash blood with blood*",

**In other words,:** When your enemy draws blood, be prepared to spill more blood, both his and yours.

**We hear the command to wash blood with blood in these statements by prominent Islamic leaders:**

- **Sheikh Muhammad Yazbeck**---in 1983, one week after the bombing of the Marine barracks in Beirut, Lebanon, said: "*Let America and Israel and the world know that we have a lust for martyrdom and our motto is being translated into reality*"
- **Hussein Musawi**---**the leader of the Islamic Amal Movement**, said: "*This path is the path of blood, the path martyrdom, for us, death is easier than smoking a cigarette if it comes while fighting for the cause of God and while defending the oppressed*"
- **Hasan al-Banna**---**the founder of the Islamic Brotherhood of Egypt**, told his followers: "*You are not a benevolent organization, nor a political party; nor a local association with limited aims. Rather you are a new spirit making its way into the heart of this nation, and reviving it through the Koran; a new light dawning and scattering the darkness of materialism through the knowledge of God; a resounding voice rising and echoing the message of the Apostle Muhammad*"
- **Shukri Ahmed Mustafa**---**the leader of an offshoot of Islamic Brotherhood, (Society of Muslims)**, told a reporter before he was hanged in 1978: "*Spilling the blood of heretics is the sacred duty of all Muslims*"

### 4. Stealth Jihad

**"Islamophobia"** is a label used by radical Muslims to silence and intimidate anyone who disagrees with them. In an attempt to muzzle opposing views.

**This is known as "Silent Jihad"** -- A way of waging "holy war" against non-Muslim world without resorting to bombs or violence. ----and it Works

**The name Islam has for this "Stealth Jihad" is the word "Dawah"**—which means to Issue a summons or invitation—it refers to inviting non-Muslims to convert to Islam.

Someone who practices "dawah" is called a "da'i"==a Muslim missionary.

**There is also the clandestine from** of dawah that is focused on moving into non-Muslim cultures, infiltrating that culture, and forcing it to become subservient to Islamic Law.

**Example:**

**Mohamed Akram** (aka Mohamed Adlouni)—**wrote a memo in May 1991, to the Shura Council of the Muslim brotherhood**, describing this "stealth Jihad", in Arabic called the "Long term Plan", which was **adopted and approved by the "shura council in 1987**----

*"The process of settlement is a "Civilization-Jihadist Process", with all the word means, the Lkhwan (Brotherhood) must understand that their work in America is a kind of grand Jihad eliminating and destroying the Western civilization from within and "sabotaging" its miserable house by their hands and the hands of the believers so that it is eliminated and God's religion is made victorious over all other religions...It is a Muslim's destiny to perform Jihad and work wherever he is and wherever he lands until the final hour comes"*

**Islamists calls this kind of subterfuge “taqiyya” (Abrogation)**—this means “religious dissimulation or deception”. It’s the practice of deceiving others and concealing one’s true aims in order to achieve victory for Allah.

In Arabic—“taqiyya” literally means “caution”.

A related word is “Kitman”, which means “concealment”.

### **Example of “taqiyya”:**

**The Islamic Society of North America (ISNA)**( based in Plainfield, Indiana, USA, is a Muslim umbrella group. It has been described in the media as the largest Muslim organization in North America) ( is tied to Muslim Brotherhood and Hamas) and the **Islamic Council on Scouting of North America (ICSNA)** have partnered with the Boy Scouts on interfaith events at the Boy Scouts National Jamboree.

**Muzammil H. Siddiqi—the chairman of ICSNA**, widely viewed as a moderate Muslim, tipped his hand as to that he is not so moderate, but simply practices “taqiyya”.

### **On Oct 18, 1996, in a newspaper column he wrote in “Pakistan Link”:**

*“It is true that Islam stands for the sovereignty of Allah, and Allah’s rules are not limited to the acts of worship, they also include social, economic and political matters. By participating in non-Islamic system, one cannot rule by that which Allah has commanded. But things do not change overnight. Changes come through patience, wisdom and hard work.*

*I believe that as Muslims we should participate in the system to safeguard our interest and try to bring gradual change for the right cause, the cause of truth and justice. We must not forget that Allah’s rules have been established in all land, and all our efforts should lead to that direction”*

The statement by the chairmen of the Islamic Council on Scouting of North America is a textbook example of “taqiyya”—Islamic religious deception.

### **Example---Our own Political leaders—**

#### **1. POTUS --**

#### **2. US Attorney General--**

United States Attorney General **Loretta Lynch** said that her **“greatest fear”** following the Paris attacks and the mass shooting in San Bernardino is **“violence against members of the Muslim religion in retaliation”**.

*She vowed that she, with the help of the Department of Justice, will do whatever she can to protect Muslims from violence and discrimination, with the threat of prosecution”*

**Another form of stealth jihad is the Sharia finance industry**---another missionary (dawah) arm of Islam.

The goal of Islamic financiers is to infiltrate the Western financial sector and persuade Western investors to use Sharia-compliant investments practices.

In this way, the Islamists can gain a toehold in our financial system with the ultimate goal of gaining control of the Western economy.

Companies that engage in Sharia-compliant banking include **according to Michael Youssef:**

- |                   |                   |                     |
|-------------------|-------------------|---------------------|
| ➤ Barclays        | ➤ Deutsche Bank   | ➤ INVESCO Perpetual |
| ➤ Citibank        | ➤ Goldenman Sachs | ➤ Merrill Lynch     |
| ➤ Credit Agricole | ➤ HSBC Holdings   | ➤ Morgan Stanley    |

A Sharia-compliant financial intuition must tithe (zakat) a portion of its assets—and those tithes often end up funding Jihad and terrorism.

### **Stealth jihad is in our news reporting.**

Many in the news media simply agree to report the news from an “**Islamically Correct**” point of view.

### **Example---- **The way news agencies report on events affecting the “Temple Mount in Jerusalem”.****

One strategy for delegitimizing and weakening Israel involves rewriting Israel’s history. The Palestinian Authority claims--

- That the Holocaust never happened.
- That Jews never lived in the Holy Land during Biblical times
- That there was never a Jewish Temple on the Temple Mount in Jerusalem.

In fact the Muslim Authorities who control the Temple Mount have reportedly bulldozed archeological evidence of the old Jewish temple in a bid to erase the Jew’s historical claim to their homeland.

### **UNDERSTAND----**History records there have been “Three Jewish States” in Palestine.****

- i. Was established by Joshua after the exodus from Egypt.
- ii. Was established under Ezra and Nehemiah after the Babylonian exile.
- iii. The Modern State of Israel—declared in 1948.

Yet American news organizations willingly fall in line with the Palestinian agenda.

- National Public Radio
- The New York Times
- Associated Press

Have all treated proven historical facts about the Temple Mount as if it were merely a matter of opinion.

### **Example---**

**Mike Shuster**-National Public Radio correspondent once reported:

*“The Jews **say** that the Temple Mount was the site of the now ancient temples in the Jewish tradition that had been destroyed at various stages in ancient Jewish History”*

**IN REALITY**---the **existence of the two Jewish temples** is not merely a matter of “Jewish tradition” or what “the Jews say”. **It is a matter of historical, archaeological fact.**

- **Reporters of the “New York Times”**-- When referring to the site of the two temples, must write:
  - “The Temple Mount, which Israel **claims** to have been the site of the First and Second Temples”
- **Reporters for the “Associated Press”**, must present both viewpoints as equally valid:
  - “Jews **believe** the mosques sit on the ruins of the First and Second Jewish temples, and revere as their holiest site a nearby wall believed to have surrounded the sanctuaries. Muslims say nothing existed on the hill before the mosques”
  - That “nearby Wall” is none other than the Western Wall of the ancient Temple courtyard”

By treating objective, historical fact as if it were mere subjective opinion, these news organizations have sided with the Palestinian propaganda machine---and they have handed a victory to the jihadists. Islamic extremists do not have to fight and die in a holy war in order to defeat us. They are waging a campaign of stealth jihad against us---and we are surrendering without a fight.

### **CONCLUSION----VERY IMPORTANT----**

Stealth Jihad only works if we in the non-Muslim world give way to it and bow down to it. Islam only gains ground in the Christian West if we willingly surrender ground.

### **Definitions**

- 1. Abrogation:** The principle of abrogation of an older verse by a new verse of Quran, or within the Hadiths is a well-established principle in Sharia. It is a term used in Islamic legal exegesis for seemingly contradictory material within or between the two primary sources of Islamic law: the Quran and the Hadith. Several Qur'anic verses state that some revelations have been abrogated and substituted by later revelations.<sup>[1][2]</sup> Which are understood by most Muslim scholars as pertaining to the verses of the Quran.
- 2. CAIR:** The Council on Americana-Islamic Relations, a Muslim advocacy group headquartered in Washington DC.

Hamas has sections dedicated to religious, military, political and security activities. The goal of Hamas is an Islamic fundamentalist Palestinian state. Muslim Brotherhood:** The **Society of the Muslim Brothers**, shortened to the **Muslim Brotherhood**, is a transnational Sunni Islamist organization founded in Egypt by Islamic scholar and schoolteacher Hassan al-Banna in 1928. The organization gained supporters throughout the Arab world and influenced other Islamist groups such as Hamas<sup>[5]</sup> with its "model of political activism combined with Islamic charity work",<sup>[6]</sup> and in 2012 sponsored the first democratically elected political party in Egypt. However, it suffered from periodic government crackdowns for alleged terrorist activities, and as of 2015 is considered a terrorist organization by the governments of Bahrain,<sup>[7][8]</sup> Egypt, Russia, Syria, Saudi Arabia and United Arab Emirates. The Brotherhood's stated goal is to instill the Qur'an and Sunnah as the "sole reference point for ... ordering the life of the Muslim family, individual, community ... and state."<sup>[13]</sup> The Qur'an is the Constitution; the Prophet is our leader; jihad is our way; death for the sake of Allah is our wish."<sup>[14][15][16]</sup> It is financed by members, who are required to allocate a portion of their income to the movement,<sup>[17]</sup> and was for many years financed by
