

## ACTS CHAPTER 29

### Acts 28:30-31

Essentials of an Acts 29 type of ministry:

1. We must be devoted to **prayer**.
  - a. Prayer is **indispensable** preparation before the gospel can advance (Lk. 24:49; Acts 1.4-14).
  - b. Prayer is **essential** to help the assembly survive the relentless satanic opposition.
  - c. Prayer is **irreplaceable** in seeking to know God's plan for our outreach.
2. We must be dedicated to **participation** in the local church.
  - a. Jesus began and is **building** the Church (Mt. 16:18).
  - b. Local churches give **evidence** of Jesus' Church.
  - c. Local churches give **structure** for living the Christian life (Acts 2.41-47).
3. We must be determined in our **outreach** to the world. America is in trouble because the Church is in trouble. The Church is in trouble because Christians have gone **silent**.

- a. The Church must be **in the world**.
- b. The Church must be **on the move**.
- c. The Church must **cross some barriers**.
- d. The Church must **act with compassion**.
  - i. See a need and **fill it**.
  - ii. Find a hurt and **heal it**.

4. We must declare that Jesus is the **only way** (Acts 4.12).
  - a. The gospel must be preached **to all people**.
  - b. The gospel must be preached **at all cost** (Is. 52:7; Rom. 10:15).
