### **OLD COVENANT**

- came with glory
- brought death
- brought condemnation (Romans 3:19-20)
- engraved on stone
- faded away
- There was a veil (Exodus 34:29-35)
- was glorious

### **NEW COVENANT**

- came with glory
  - brings life
  - brings righteousness
  - written on hearts by God’s Spirit
  - lasts forever
  - The veil is taken away
  - is far more glorious
- 

### **Focusing on two big ideas in this text:**

*When someone turns to the Lord, the veil is taken away from their hearts and minds; and the Spirit of God begins to transform them into the likeness of Christ; which then becomes a reflection of God’s glory to the world.*

*The gospel of Jesus Christ is so gloriously life-changing, that the devil works to blind the minds of unbelievers, keeping them from grasping and believing the value and need for God’s salvation in their lives.*
