 olomon bids us (Prov 23:23) to buy the truth, but doth not tell us what it must cost, because we must get it though it be never so dear. We must love it both shining and scorching. Every parcel of truth is precious as the filings of gold; we must either live with it, or die for it.

## OUR CHURCH

We are a congregation of the Free Church of Scotland (Continuing), which has a presbytery in North America. The Free Church traces its historical roots back to the Protestant Reformation in Scotland, which began in 1560. The same biblical truths and spiritual identity have been maintained to the present day. Our doctrinal standards are the original 17<sup>th</sup> century version of the *Westminster Confession of Faith* and *Larger and Shorter Catechisms*. Further detailed information about our doctrine, worship, government, and practice are available on the book table and in the church library.
