

## **L5: The Dispensations of Human Government and Promise**

### **Introduction:**

#### **Dispensation #3: The Age of Human Government (Genesis 8:15 – 11:9)**

The Age of Human Government is a period of time that begins after God judged the world through a universal \_\_\_\_\_ to the \_\_\_\_\_ of Babel. Within this dispensation, God commanded society to hold human life as sacred and to put to death any animal or person who violated God's image by murdering a human being. With this command, the dispensation of Human Government or Civil Government began.

#### **Dispensation #4: The Age of Promise (Genesis 11:10 - Exodus 18:27)**

Until this dispensation, all mankind had been \_\_\_\_\_ related to God's governing principles. Now God marked out one family and one nation and in them made a representative test of all.

**Aspect #1: Abraham and his descendants would have a special \_\_\_\_\_ before God in this world.**

**Aspect #2: The rest of humanity would be \_\_\_\_\_ with in a different way.**
