

Passover Seder: Christ in the Passover

“Of all the holidays the world has ever celebrated, only seven have been given by God; and all seven were given to the nation of Israel. Passover is the first of these. . . Passover is among the most joyous and festive of the Jewish holidays.” (“Passover Haggadah” by Tom Simcox, c 2001 by the Friends of Israel Gospel Ministry, Inc., P.O. Box 908, Bellmawr, NJ 08099)

While Passover is indeed a Jewish holiday, it is certainly worth experiencing for every believer: Jewish and Gentile! The richness and symbolism are encouraging, instructive and enlightening. *“The Feast of Passover was celebrated by Jesus of Nazareth. It was at the Passover that Jesus instituted the Lord’s Supper, or communion. The rich symbolism of the Seder service paints a very clear and revealing picture of Jesus as the promised Messiah and Savior, helping us better understand this ordinance.”* (“Jewish Culture and Customs” by Steve Herzig, c1997 by the Friends of Israel Gospel Ministry, Inc., P.O. Box 908, Bellmawr, NJ 08099)
