WHAT DID YOU LEARN?

- 1 Examine the 6 reasons for the full proof evidence of the resurrection. Read 1 Corinthians 15. Why was the resurrection so important? How should the resurrection of Christ affect us every day?
- 2 Read the last statement in Matthew 28:20. What is so important about this statement for our walk? How should this encourage us to share the Gospel?

HOW WILL YOU APPLY IT?

- 1 Jesus Christ is resurrected. How should that transform our view of our circumstances? What kind of hope does that give us? How are you living in light of that hope?
- 2 Doubt is seen throughout the resurrection account. What do you doubt about God's truth? How is that slowing the growth that the Lord is trying to do in your life?

LIVE IT OUT

STOP!!! PAUSE!!! CONTEMPLATE!!!

Resurrection Sunday can be such an impactful day for us. However, so often we walk away and go on with life as usual. Take a pause and think how you will worship and walk differently in light of what you learned this week.
