

## **The Wicked At The Day of Judgment**

A day is on the horizon. Out of all of the days that has ever been, its importance is second only to the crucifixion, burial and resurrection of Jesus Christ. This Day will prove the undoing of the wicked, and the ultimate vindication of Jesus Christ as King of kings and the Lord of all, and the Judge of all the earth.

### **Mathew 25:31-46**

#### **What Is Judgment Day?**

Judgment Day is the last item on the eschatological agenda. It is the final event that will occur on God's timeline, and it is the final event in redemptive history. It will result in the ushering in of all peoples to their final estate; either eternal glory with Jesus Christ in the new heavens and earth or into the Lake of Fire.

Judgment Day must be longer than our 24-hour period of time, but it's called a "Day" as in an event. Every person ever created will be there. It is the time where for the person who died without Christ will be judged, all of their sins will be brought to light, and then sentenced to an eternity in the Lake of Fire.

This Day is all about the vindication of the honor and glory and majesty of Jesus Christ.
