

Message Title: Considering God's Schedule Pt-21 & 22

Theme: This message continues with the millennial reign of Jesus Christ as King of Kings and LORD of LORDS and how it appears that The Day of The LORD, is the Trinity ruling over the earth with all His saints.

The focus of today's local churches has narrowed into what the members want to hear and much of what we can learn about our Creator is neglected. God is not only known by what He created but also by how He chooses to do things, and especially when He takes control of His creation during this thousand year reign.

In this study consideration is first given to how we as believers only exchange the sins that we gain control of, for the sin of self-righteousness. After that it moves into the emphasis that God places on water, living water, fish and fishermen, and how He will communicate with His Saints to enforce His rules of conduct.

Salient Points: Declare the whole council, Laodicean teachings, Where are the sinners, Self-righteousness, Real joy, Self esteem, It's about pride, Humility from sin, Teachings that magnify God, Are you a sinner, A desperate heart, Doing good, Sources of living water, Jesus and fish, Drawn to Jesus, Choosing simple things, Fishing in the living waters, The walking dead, The souls desire for water, Permanently quenched, Essential water, Right from the heart, The whole council, To God's credit, Knowledge of the Holy, Too familiar with God's generosity, The absolute rules, Two witnesses, God's motive to teach, Recognizing God, Lord vs LORD, Re-establishing the Temple, Supernatural communications, Nature worshipers.

Series: Our Timeless Creator, Remastered – 1069

Sub Series: Our Timeless Creator 12-7-08 & 12-14-08

~~~~~

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God

brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, ***“And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me”***. Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, “you’ll get over it.” Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times “the most frustrating thing in life is, knowing what GOD could do and watch him not do it”. In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says,” it was much like when I first became a child of God all over again”. He describes it like application of (2 Corinthians 3:18), “But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, ***even*** as by the Spirit of the Lord”. Truly a life changing experience as God increases and we automatically decrease., ,
