

Seeking the Lord and the Centrality of the Church

Sermon Point: Invite people to seek the Lord in public worship, the best place to do so.

1. The church is a special Holy Spirit filled assembly (2 Cor. 6:16a).
2. In this assembly, God's plan is to assure you that you belong to Him through the gospel (2 Cor. 6:16b)
3. Add to the above that God's purpose is that you seek Him (Acts 17:27-28).
4. You seek the Lord in and by the means of grace (2 Chron. 20:1-5).
5. Thus, your Spirit filled congregation is an engine of evangelism (Isa. 55:6-7).

Conclusion: Invite people to seek the Lord in public worship, the best place to do so.
