Sermon Outline for Sunday, April 2, 2017

Elder R. Rubino, Pastor.

“The Christian Cannibal.”

I Text: Old Covenant: (*Numbers 13:17-33*)

New Covenant: (John 6:53-56)

II Doctrine: The rejection of Jesus Christ with his attendant laws and commands is always the catalyst to unleash “Hell on Earth”. Men and Nations regress into the pre-flood practices that forced God to destroy the Antediluvian world. Exploring scripture teaches us cannibalism is the last phase of sin for a culture before it’s destruction. We must separate ourselves from the demonic culture we now live in and false Churches that fornicate with it. Once we start rejecting Christonomic principles the result is always destruction. Christians are to embrace Christ’s law and conquer the Nations God has given to his son as an inheritance.

III Reasons:

1) Before the Gospel was spread throughout the world cannibalism along with human sacrifice was universal, except among God’s people. (*Wikipedia Reference; Genesis 9:1-7*)

2) Human sacrifice and cannibalism go hand in hand and we will see more of a connection in our own society as time progresses. (*Deuteronomy 28:53-57; Female Pastors for Planned Parenthood*)

IV Application:

1) Like the Hebrew spies the mainstream Church in America is retreating from the Giants and their perversion. We are too afraid to inherit the land God has given us.

2) Jesus Christ told us metaphorically the need for His body and blood for survival. Eating the flesh of fellow human beings is never acceptable, and is always a sign of judgement from God. (*John 6:53-56; Jeremiah 19:9*)
