

## **Behold the Man of Sorrows**

*John 19:1-16*

As we come to this section of John, we meet Jesus as the man of sorrows acquainted with grief.

In Christian theology, the man of sorrows experienced every sorrow known to man. He was tempted like we are, yet without sin, and yet, He suffered for our giving in to temptation.

What will you do with your sorrows? What will you do with the sorrow from your sins? Where will you look. Look to the man of sorrows, and learn of Him. Jesus whole life was a crucifixion so that your whole life would not end in a final damning crucifixion. Be assured of this: there is enough medicine in the sufferings of the man of sorrows to heal every wound.
