Is there such breadth,
and length,
and depth,
and height in God, for us?
And is there toward us love in Christ
that passeth knowledge?
Then this shews us, not only the greatness of the majesty
of the Father and the Son,
but the great good will that is in their heart
to them that receive their word...
Yea, no words can sufficiently set forth
the greatness of this love of God
and his Son
to us poor miserable sinners.

OUR CHURCH

We are a congregation of the Free Church of Scotland (Continuing), which has a presbytery in North America. The Free Church traces its historical roots back to the Protestant Reformation in Scotland, which began in 1560. The same biblical truths and spiritual identity have been maintained to the present day. Our doctrinal standards are the original 17th century version of the *Westminster Confession of Faith* and *Larger and Shorter Catechisms*. Further detailed information about our doctrine, worship, government, and practice are available on the book table and in the church library.
